FINDINGS OF FACT

1. That David Y. Kim, M.D., Respondent, date of birth April 23, 1945, is a physician licensed to practice medicine and surgery in the state of Wisconsin pursuant to license number 21368, which was granted December 9, 1977 and limited December 19, 1990.

3. That on June 19, 1992, Respondent was served with copies of a Petition for Summary Suspension and Notice of Presentation of Petition for Summary Suspension, both dated June 17, 1992. That those documents notified Respondent that the Petitioner would seek the summary suspension of Respondent's license to practice medicine and surgery in the state of Wisconsin by presenting the Petition for Summary Suspension to the Wisconsin Medical Examining Board on June 24, 1992 at 9:30 a.m.

4. The Petition for Summary Suspension asserts that Respondent has violated the December 19, 1990 Order of the Medical Examining Board by engaging in indepth, long term psychotherapy with a patient. It also asserts that Respondent has engaged in repeated acts of sexual conduct with that patient while practicing under his limited license.

5. That Respondent disagrees with the allegations of wrongdoing set out in the Petition for Summary Suspension and desires to defend himself against those allegations at a full evidentiary hearing.

6. Respondent agrees to the suspension of his license to practice medicine and surgery in the state of Wisconsin, until there can be a determination of the issues, as set out below.

IT IS FURTHER ORDERED, that the time periods set out in section 448.02(4), Wis. Stats. shall apply in this matter and that if no Final Decision of the Board is made within the required period of time, the suspension of Respondent's license to practice medicine and surgery in the State of Wisconsin shall end. Those time periods are:

1. The suspension of Respondent's license shall be for a period not to exceed 30-days pending hearing.
2. However, the Medical Examining Board or the Administrative Law Judge assigned to hear this matter may, while the hearing is in progress, extend the initial 30-day period of suspension for an additional 30-days;
3. If the Respondent has caused a delay in the hearing process, the Board hereby delegates to the Administrative Law Judge assigned to hear this matter the authority to continue the suspension of the license from the time the hearing is commenced until a Final Decision is issued by the Board.

IT IS FURTHER ORDERED that upon the entry of a Final Decision and Order regarding the allegations in this matter, this suspension pending hearing shall end.

The rights of a party aggrieved by this Decision to petition the Board for rehearing and to petition for judicial review are set forth on the attached "Notice of Appeal Information."
